“ *I was very sad to see a comment about Kricket's passing on social media. My husband and I had the good fortune to meet Kricket during a Chow Chow rescue transport. I always admired her dedication to animal rescue and her drive to make the world a better place for all living things. A very fine lady - may she rest in peace with her beloved rescues at the Rainbow Bridge.*

Our sincere condolences to her family and friends.

“ I will never forget your unexpected humor and your never ending friendship. You taught me so much about the rescue world and I will carry that with me for the rest of my life. It is truly astounding how many animals you helped and how many rescue connections you made over the years, working to help four leggers up until God took you away from us. May you be eternally surrounded by passed loved ones and all of the wonderful animal souls you saved. Donating to Cats' Voice in your name and hoping to follow your always committed footsteps helping animals in need.

“ For many years I had only seen Cricket's name on run sheets for animals coming from Morgantown, and always thought she must be a very important person in the rescue world. We connected on Facebook a few years ago, and I finally got to meet her in person when she started volunteering with my previous rescue. And just as I thought, she was a very important person, and one of the most amazing human beings I ever met. She will be greatly missed. I made a donation to The Cat's Voice in her memory. I hope to see you on the other side, Cricket. 💜
