“ *Pam- I am so sorry to hear of your father's illness and then passing. I have so many fond memories of your father.... from our vacation in Nags Head, camping in the backyard, holiday dinners, to visiting him at his job at the Capital! He was a great father, husband, and Uncle. He is in heaven now where there will be no more pain for him. Always remember the memories, there were many GREAT times! I know I won't ever forget! Sorry I was not able to be with you in your time of sorrow. Love always, your dear friend, Debbie*

“ Uncle Evan you'll be sorely missed, but if we'd listen closely we'd hear this; Don't grieve for me, for now I'm free, I'm following the path God laid for me. I took His hand when I heard Him call, I turned my back and left it all. I could not stay another day, To laugh, to love, to work or play. Tasks left undone must stay that way, I found that peace at the close of day. If my parting has left a void, Then fill it with remembered joy. A friendship started, a laugh, a kiss, Ah yes, these things I too will miss. Be not burdened with times of sorrow, I wish you the sunshine of tomorrow. My life's been full, I savored much, Good friends, good times, a loved one's touch, Perhaps my time seemed all too brief, Don't lengthen it now with undue grief. Lift up your heart and share with me, God wanted me now; He set me free. See ya soon Uncle, I'll be looking for that smile!

“ Those we love remain with us, for love itself lives on, and cherished memories never fade, because you now are gone. Those we love can never be, more than a thought apart, for as long as there are memories, you'll always live in my heart. For my beloved brother, still loved, still missed, and still very near. Your passings leaves a vacant place in your sister's heart, but I will hold to God's promise that we'll soon be together, never to depart.

“ Dear Evan: Hope you know how special you remain to some many of us. We shared a lot together which I shall cherish in memory. How much you adored Fran and always buying her gifts. How much you loved your children and spoke of them. You were also family to so many of us at Mount Vernon. Yes I am very blessed to have one of your special hand made crosses from cedar. Angel you name is no accident - you graced so many people with your goodness... and shall live on in your beloved family and friends. Will never forget you! Love Nadine

“ I had the pleasure of working with Evan at Historic Mount Vernon. He always had an instant smile and kind words when we would meet. Evan made me a cross from cedar he got from MV and I will always remember my special friend when I look at it.

“ Evan: Even though we didn't work in the same dept. at Mount Vernon Estate, we shared many laughs and great conversations while there. You did so much for so many people on the Estate, and we missed you greatly after you were no longer there. You made wonderful momentos for a number of people from wood you found on the estate that most would have just thrown away. We will cherish those items. You will be missed by so many on the Estate. May you rest in peace.
