“*Paulie, Louie, Joe and most importantly, dearest Mary, my heart goes out to all of you. I am some what late with this entry, but, please forgive me. I don't know how much a family has to endure before it is declared enough. You folks had to deal with the loss of your brother Frank, who I loved and cared about more than you folks could know, and this tragedy.*

Your mother was the sweetest, kindest and most loving of people I ever had the pleasure of knowing. She would always welcome me with the same kind of kindness that she extended to her own family. It's that love and kindness that I will always remember her for and pray she is definitely in a better place now with your father, re-united again.

I hope that God gives you all the healing time necessary to re-cover from these losses and you all have an opportunity to regain your strength before having to deal with any further tragedies of this type.

“ Mom was a good and loving mother and she was always there for us. She was a full-time, stay at home mother dedicated to her husband and children. She was a woman of deep, unwavering faith in God during good times and bad. She touched the lives of so many people in positive ways. Everyone loved her and she loved her many friends. I want to thank all of you good and caring friends of my mom. Thank you, mom for all your love, all your sacrifices, and all your care in raising me and my siblings. I especially thank you mom for bringing me up in the Catholic faith. We attended many Masses together and we know that our Lord Jesus Christ has prepared a place for us in heaven.

“ The loss of Evelyn is like the loss of a family member. I first met Evelyn in 1967, when we moved next door. We have maintained a fond relationship with the Santone family for 50 years, but the common meeting place was always Bowie Dr., where Evelyn ruled the roost. She seemed very happy after moving recently to her new apartment, and I was looking forward to visiting her there again soon. This is a great loss to all of us who loved her, but especially to her children. May God bless Evelyn, all the members of the Santone family, and all her dear friends.

“ I am so sorry to hear of Evelyn's passing. She was my very dear friend and we spent many hours at lunches, dinners, WalMart and KMart shopping, long conversations over coffee and a dessert and just enjoying each other's company. She was full of life and enjoyed every minute of it till the end. Two weeks ago today we had a great day at The Dynasty, WalMart and conversation back at her apt at Sunrise. My condolences to Mary, Louie, Paulie, Joe and the rest of the family. I loved her and will miss her very much.

“ I'm so sorry to hear of the passing of my "playmate". Evelyn and I had a lot of fun together on AARP trips, luncheons, and things we came up with ourselves. My heart goes out to the Santone family. You are in my prayers.

“ My sincere sympathies to the Santone family. Growing up in Monticello Woods with so many great role models was a blessing. The Santone's were one of those great families we grew up with....Mrs Santone was always asking how we were, how the family was and was always greeting us with a smile. She was a great lady with a great family. May she Rest In Peace.

“ Evelyn was a wonderful, vivacious person. For the past several years, she was our neighbor, and our families go back as far as I can remember. To illustrate how on-the-go Evelyn was - it seemed like every time we would look up the street, we would see a different car pull up to her house, and someone would be picking her up or dropping her off from lunch, dinner or some other event. She had an unmatched thirst for life and all of the family should be proud of the life she lived. I feel blessed to have known her and I am forever grateful for the friendship she had with my mom for so many years. You all are always in our thoughts and prayers.

“ Mrs. Santone was a sweet lady. We were blessed to have such an idyllic neighborhood growing up and the Santone's were certainly a cornerstone of that wonderful environment. I'll always remember her smiling face and her kind demeanor. I'll never forget that time she offered to bake a cake for any player that hit a homerun on our little league team and certainly her beloved son Louie jr. cracked a line drive over the center-field fence and boy was that one delicious cake! May she enjoy eternal life in the Kingdom of Heaven and God bless her and her family.
