“ *Hello, I was Fran's roommate at Penn State. Lauren met you on a visit to Alexandria. My heart is breaking. Always in touch. Worried as knew how sick she was and did not respond to emails. Fran was a super person. Much fun and character. My gosh we had such fun. If you ever want stories about your Mom contact me. I loved her
My condolences.*

“ *I met Fran at EEOC in 1988, she was always so helpful but direct. The Executive Secretariat Office at EEOC was never the same after she retired. Fran brought so much structure and guidance. I am praying for the families healing.*
