“ *They say that we are what we are because of our parents lifting us on their shoulders. Although we never met your Dad he had to be a great man for you to be who you are Phil. Your loving care of him when he needed it, your love for your family and your dedicated hard work for the nation reflect his greatness. Those who knew him will sorely miss him, for those didn't know him missed one of mankind's gentle giants. God bless.*
