“ *I have known Frankie since I was young. He is more of a brother to me than a brother-in-law. My husband and I will miss him dearly. Even in his ill health, Frankie kept his humor, his happy spirit, and his smile. Frankie was kind to everyone and went over and above to help anyone he could. He suffered too long with his illness that his death was a blessing for him and those that loved him. Frankie, Delmar and I will miss you forever.*
