“ *Mom is my everything. Even though she has come to a place where she is NOT suffering. It's been only 8 months I still feel, her an feel her touch. She comes to me an tells me “she is ok, & for me to go on that she will always be an ANGEL 🙏 on my shoulder”. I can't her go. I can also have piece knowing the Dad & Mom are together once again.*

“ Freda will be missed we loved her and we will have wonderful memories of her that will stay in our hearts. When we would get together it was always her little giggle that made us smile! We would love to talk about life, family and friends but most of all when we were together we were family!

Missing you!!!!

Love
