“ I send my love and prayers to Patsy, Barbara, and family at this time of loss. As my Sister-in-Laws brother, Buddy was my friend, but he treated me like a brother. Always full of fun, he brightened up rooms when he entered them. He had a knack for making others feel better, by telling a joke or a story and sharing his laughter. I noticed how he would always try to lift up the spirits of others first, even when he was a little down in the dumps himself. Buddy was one of the nicest people I have ever met and I consider him a ray of Gods love that shined on our world for too short a time. Buddy, I will think of you often and will talk to you some too. I say that in present tense as I believe you will hear me and that we all will meet again in better circumstances and in a better place. Love ya, Buddy! May God bless you!

“ I was blessed to have the coolest Uncle a nephew could ask for. I can't beleive I won't be able to get a big Uncle Buddy hug anymore. We kept a running joke for a long time. I would say "There's my favorite Uncle" and you would say "I'm your only Uncle Boy" and we would hug and laugh. There are so many things about you and your personality that set you apart from others. Truly a one of a kind human being. You touched so many people over the years. You were a major part of my entire life and will always be in mind. I Love you so much Bud. Give Nana a big hug for me and tell her I love her when you see her....By-cycle

“ For My Baby Brother- I am having a very hard time doing this. We have been together many years and have taken care of each other for a long time. You were my rock and until the day I die you will be part of my heart. I was suppose to go first but guess God had other plans for us. My love will always be with you. Sis

“ Grandpa Buddy, Words can't describe how much it hurts to know you are gone but words also can't describe the feeling I get knowing you are in a much better place. The hardest thing is never getting to hear your voice or laugh again. You had this way about you that lit up the room when you were there and your laugh was the most uplifting thing I have probably ever heard. Don't even get me started on your Donald Duck voice you always did as soon as you saw me. Oh how I'm going to miss that the most because nobody can just quite do it like you could. Thank you for always loving me and my family. My prayers are with everyone that you left behind and I know your memory will live on. I love you Grandpa Buddy! Love and miss you, Caroline

“ My Brother-in-Law, Buddy, was the kindestsweetestgentlest man that I have ever known. Buddy was a most generous and loving person to his family and friendssomething that will keep his memory with us forever. But, he was also just the same to everyone that he met. He always kept in touch with his sisterhis big sistermy wonderful wifeand the loving bind between them was UNBREAKABLE. His quick wit and ability to turn the gloomiest atmosphere into something positive was his greatest asset. There are way too may times when this happened for me to elaborate, just let me say that everyone who knew himknows exactly what I am mean. Barbmy love and prayers are with you. The world has lost such a wonderful human being...but Buddy made it so much better by being in it. I love you, Bud! Jimmy

“ Dear Barbara and Family, I was so sorry to hear of the passing of Buddy, my mother, Evelyn Hoagland Cox also sends her condolences. Buddy was such a genuine, fun loving man, I would see him at the bowling alley and at most Clark functions. Just a wonderful man that seemed to enjoyed life, always bringing a smile to those around and had the hug that was memorable. My thoughts and prayers are with you and your family during this most difficult time. May you find peace knowing that through faith, we will see those we love again.
