“ *I know im late and the song is old but when i heard the pain in ANTH voice, it made me want to google and see what happened. I dont know this family but for those 3 mins of that song i felt what he felt, i could see them all in the hospital jus tryin to figure out what happened and why. My prayers are forever with this family. May God continue to bring you peace.*

Honesty I didn't even know who Anth was, untill I was on YouTube and just came across his videos. From the first time i heard his music I loved it. Every song gave me the chills but Unforgettable brought tears to my eyes. God bless you and your family, and keep your head up.
