“ *I was very sorry to hear of Gail's passing. I was fortunate enough to meet her a few months ago when my neighbor (her nephew) Thomas and I stopped by. What a dear and happy lady she was despite her physical condition. My sincere condolences to her entire family.*

“ Aunt Gail... you will surely be missed 😭. I'll never forget your smile, your kind heart, your ability to be positive in a not so good situation, and all the great times I shared with you! One memory that sticks with me is when we all were in Florida and you camped with Glenda... you wanted to iron something and Glenda gave you a hard time about it. You secretly came to me and asked if I had an iron and I said I got this. A little while later you had the iron and you had a wrinkle free outfit! Great minds stick together 😊 I loved how you always matched from head to toe, beautiful lady! I love and miss you more then words can say ❤️

“ If I'd type memories, I would never stop typing. My Aunt Gail was so much to me, especially the last few years that only her and I will ever know.

*I will share just two recent, as it speaks to her character.*

*A friend of mine and I went for a day trip visiting his parents and my Aunt Gail. From the time we arrived to the time we left Aunt Gail had a smile on her face and her positivity filled the room. Upon leaving, my friend spoke on how he couldn't believe her outlook and how good she made us feel during the visit. I said, "That's My Aunt Gail". :-)*

*Second is of when I had called her and said I hear they're having food and music at your place on St Patty's Day, you up for it? She replied, What time? Of course when my wife Sherry and I showed up she was perfect from head to tow. Hair spot on and looking beautiful as ever!*

**WE LOVE YOU AUNT GAIL!!**
