“ I will always remember Papaw bringing Chris and treats for the entire multiage class to Lane Elementary School. He was one of the kindest people I have ever met. I know he is in a good place. My love to his whole family, especially Nanny and Chris. You are all in my heart.

“ Rest in Peace, Gary. We will never forget you. Gary was one of the friendliest, kindest men I ever met. He used to come to our house frequently to do welding jobs for the auto repair business that was located in back. He was always especially friendly with my young son and his playmates, and was obviously a dedicated family man. He and Mary had children who were close in age to my son, and you could always sense that his family was his top priority. Time has a way of sometimes making personal contact with friends very limited, but whenever we passed Gary on the road or saw him locally, he would smile and talk with you like it was just yesterday since our last conversation. He will be greatly missed, and I send my love and deepest sympathy to Mary, Tony, Sherri, Victor, Lance, and Troy, and to the grandchildren and other family members. I pray that your precious memories, and knowing the separation is only temporary will bring you much comfort at this sad and difficult time.
