“ Hey Fish!

God bless you and thank you for your kind, thoughtful words of Gary! They are much appreciated. Gary spoke so highly and often of you! Felt like we knew you personally ourselves! So much so that one day as I got on metro at new Carrollton I saw this guy in a motorized supered up wheelchair w/ stickers all over and I knew instantly "that's that guy named Fish that works w/ Gary"!!!! I spoke to you letting you know who I was! We will miss Gary always. He is the special light in our family. He never got angry, nor said an unkind word nor raised his voice. He always offered to help in anyway he could, give money, offer encouragement. We are so grateful to have Gary in our family. He is our joy! Thank you again Fish and I am logging in your email to keep in touch, I would like that very much! God bless you for that and for all you did for Gary and the friend you were to him!

“ I worked and was great friends with Gary for 20 yrs. He was the one who trained me to sort the mail and do the messenger runs when I first got to OSEP. Over those yrs. we had so many good times going for our Lunch time walks on the National Mall with our friend Robin(R.I.P.) And Gary yelling "fiand#195;©, fiancÃ©" when I would look at Beautiful woman jogging or walking by us. It wasn't til his Homegoing that I found out how much Gary thought of our Friendship, but you know what? I was the Lucky One. Reamy family sorry for your loss, and Thank you for Gary. Keep in touch if you'd like, fshtank233@gmail.com Best regards, Fish

“ I'm too young to be able to remember any specific things, but the family reunions will always be a memory, and I know he was there. You're in our thoughts and prayers, Aunt Jewell.

“ *The Reamy family and his extended (OSERS) family morn the loss of a wonderful man. Gary's impact on us will be everlasting. Gary and I worked together for 35 years and our friendship continued into our retirements. His courage and strength in overcoming many obstacles was truly inspirational. He influenced all those who worked with him and witnessed his spirit and dedication. Gary was a great student in the workplace and acquired the skills necessary to keep abreast with the ever changing technology. His presence was appreciated throughout the US Department of Education and his concern for others was always recognized. Gary was truly a BFF.*

“ Aunt Jewell, Susan, Bobby and family,
Our hearts are heavy with Gary's passing. I know as cousins we just didn't get to spend time together as we should, we are just too far apart in miles. Remember the family reunions and smile! We will truly miss Gary as we do all our cousins that are in heaven now. You are in our thoughts and prayers!

“ Bobbi,
Thank you and God bless you for your kind, loving, thoughts and memories of Gary. He is a very special light in our family, touched us in so many ways. He is so thoughtful, kind, loving, caring, helpful, the list goes on. He never got angry, nor said an unkind word. Yes unfortunately we as cousins all live so far apart, but we have a bond filled with memories of past reunions that will last a lifetime. Gary was truly fond of all his cousins, aunts, uncles, grandparents. There is a huge void in our family now, but we know he is with Jesus and many others gone on ahead of us rejoicing with the angels in the presence of God Almighty free from all sickness and pain. We love and miss you!
Sincerely,
The Reamy family

“ Gary was a dedicated and conscientious staff member at OSEP. He was helpful and always concerned with doing his best. I also remember Gary as a dedicated Redskins fan. He was elated when Joe Gibbs returned to coach the Redskins, hoping for a return to the "glory days." He never waned in his devotion, and this was just a sign of his commitment to people and those things he valued.

“ Cecelia,

Thank you for your very loving words and thoughts of Gary. As I tell everyone he is a special light in our family. And I know he was just as special in his workplace. “ Worked with Gary for nearly two decades and met him earlier still during an internship. Gary was one of the friendliest, most conscientious persons I've ever had the privilege of knowing. He knew where things were, how to get things done, and shared his knowledge freely to help others. Enjoyed hearing stories about his PT Cruiser and parakeet especially. Kind regards to family - Hugh

“ As I chatted with my friend and former colleague this week about Gary, the one thing that stood out the most was his love and kindness towards everyone he encountered. Gary was so a joy to be around. he would always make me smile when he talked about his niece and nephews he just loved those children so much and would do anything for them. He was the type of person that would always take that extra step to get the job done and make sure you had what you needed. Even in his fragile physical state his heart was always open to others with a gentle word and a sweet smile attached. I tear up as I think about him. He will be missed but he is safe and free now. I pray comfortable and peace over the family as they prepare to part from their love one.

“ I met Gary in December of 1969 and worked with him for nearly 26 years. During that time, he was often in pain, but he was always upbeat, positive, and totally reliable. He was smart and classy and one of the most likable people I have known. And virtually all of the people I count as my friends felt fortunate to have Gary for a friend. I have not spoken to him in years, but I miss him already.

“ I met Gary in 1999, when I went to work for the Department of Education. He was one of the first people to talk with me and made me feel welcome. Gary was a blessing to everyone who was lucky enough to cross his path. He was kind, considerate, funny, and friendly to everyone - even difficult people. He will be missed. Merri Pearson
