Gene Bryant Miller

Gene passed in his home on January 14th, 2013 following a lengthy battle with cancer. He recently retired from his position as Manager of Contract Services after 32 plus years of valued service at Washington National Airport.

His dedication to his work at the airport was surpassed only by his love for his family, helping others, and fixing or restoring almost anything he came into contact with.

He is survived by his two children, William Bryant of Falls Church, VA and Kelly Nicole of Harrisonburg, VA as well as his mother, Connie L. (Alexandria, VA), and his two brothers Gary L. (Alexandria, VA) and James Glen (Demorest, GA).

A memorial gathering will be held Saturday, January 19th, 2013 beginning at 10:00am at the Jefferson Funeral Chapel in Alexandria, VA.

“ *After being at the memorial service,I was amazed at the diversity of all the people who were there to remember Gene. That speaks a lot about the type of person he was. From the old to the young,the disabled to his coworkers. He touched us all in different ways. But the thing I will always remember was his ability to make people not only smile but laugh. He will be missed.*

“ Gene was my customer for 14 years, although he was a friend more than a customer. He always had a big smile and loved life. He impacted my life more than he knew. I am truly honored to have known Gene. He was a great man and friend. We have all lost something special from our lives.
