“ *George, it feels as if it wasn't that long ago that you were a young kid. We didn't get to see you often, but even back then you were always kind, friendly and easy to talk with. Nobody could have ever imagined you would be gone so soon and so suddenly, leaving behind a devastated family and many shocked, broken-hearted friends. Our deepest sympathy to Sherry and the whole family, with love from Eve, Rick, Reed, and Irene Martinko*

“ *" I lost my best friend. My brother, my family. I don't want to believe this is real. Words cannot explain how much I love and care for him. Since I am in jail, I can't be there for my family or his family and can't attend my best friends service. I will never forgive myself for that. Anyone that knows us knows we were inseparable. I can't believe my right hand is gone. I love you bro. I will never let your name die. I will make you proud. I know you are my guardian angel. Save me a spot up there until I come home. I cannot wait to see you again brother. I love you and will never forget the endless memories we shared. Thank you for being my friend. Until we meet again. Rest in peace George Bowen Jr. Aka G-Bo"*
