“ Cathy, Melissa, Chellye I can't begin to tell you how heartbroken I was when we received the message of George's passing. My heart goes out to each of you and your families at this somber time. I know George will be with each and every one of you watching over you and protecting you. Don't stop talking to him as he will be near by and he will be listening, watch for signs of his presence.

Hugs from New Jersey, I am sad I can't be there in person to hug each of you but I will come down soon.
