“ Dear Margaret, I am very sorry about the death of George. It is so difficult for you to lose the man you have loved for many years. George was such a fine man, highly intellectual, extremely ethical, a friend to all those with whom he worked, and an outstanding leader. His kindness and other qualities made working at Vitro a pleasure, one of the reasons for the success of Vitro. When he left we lost one of our guiding lights. George will continue to live brightly in my memories. I hope that you will find comfort in your family and friends. Please give my condolences to your family. Ruth

“ *The Haropulos and Krikorian families lived just 2 houses apart on Lake Terrace for many years. Karen and I became friends and schoolmates in 1967 when both our families moved into the neighborhood. Margaret & George had a warm household, where we kids were always welcome. I feel deeply for the family's loss. My prayers are with you.*

“ *I have known George for the past almost 10 years and have, I know have bothered you with phone calls at your breakfast table on a few occasions as he was a great help to the Defense Institute of Security Cooperation (DISAM), Defense Security Cooperation Agency, and the Military Services as he help institute our International Affairs Certification Program and other Human Capital initiatives. His experience within DAWIA helped us better our process from the very beginning. He attended various DISAM meetings to include a few of our annual Curriculum Reviews and will be sorely missed as we have our upcoming event the end of next month. Additionally and moreover, I counted George as a true friend and am personally touched by his passing. He was a good and honorable man -- who counted much on and cared much for his family. Know that my prayers and those of DISAM are with your family during this time of loss.*

“ Dear Krikorian family, My mom alerted me to the link to this guest book. I am so sorry for your loss. I always remembered Mr. Krikorian with fondness and recall his ready smile. It's very difficult to watch our parents get older and move into the final phases of life. I will be thinking of you all and remembering our times on Lake Terrance! I wish I could be there with you but as I am far away in Hawaii I will have to be there in spirit! Lots of love and hugs, Jeanne
