“ My memories of George are many. They mostly are from spending time with family at the beach in North Carolina. We would go every day and sit and watch the grandkids play in the ocean, sit and tell stories solve the problems of the world and laugh and laugh. Then we would go back to the house and do it all over again. Those are times that I will never forget. George accepted our family as a part of his loving us and Allison's family as his own. He even went so far as one time coming all the way down to NC just to see us for two days. We would never go to Virginia that he wouldn't go out of his way to make sure that we could get together. He was a true friend. I will always love you, George. Aloha my friend \,,/ Doug

“ I am his niece from his eldest sister, Patsy aka Tita. I will always have great and fond memories of you Uncle. I would always brag about Uncle George to my friends in school. Loved to hear Grandma's proud son stories of Uncle. My mom loved the fact that a local Maui Boy left this little rock to go away and make an awesome life for himself. My mom said she knew he could do it. Uncle was stern but yes loved his Ohana! May you rest in Peace....Uncle George you are truly loved and will be surely missed....Aloha 'oe A hui hou.....Goodbye, Until we meet again! Mahalo Keakua.....U'i.....:0)

“ *I met George when he was about to get out of the Army and coming to work with us at the old Planning Research. He was one of the best true men I've known. It was an honor and privilege to call him a friend.*
