“ *We are so very sorry to hear of the loss of Bob Pugh. He and Rose were shining stars in my life. They were family. They were always driving us to all of our basketball games. I was on Bobbi Ann's team and we were good friends. We had so much fun. I always knew that when I arrived at St Louis School, Mr Pugh and his wife would be waiting to drive me and my teammates to the game! May you rest in peace Mr Pugh, and may God bless and comfort Rose and all their children as well as their families. We love you all!

“ Bob, my cousin, was truly a great friend! I will miss him forever, will miss his jokes, his kindness and understanding. Every year for many years he and Rose would always stop at my house to spend a night or two to visit when they were traveling cross country to spend time with Their daughter Susie, Scott and children. We had a very good time, going out to eat, shopping, playing cards and upwards! I loved having them stay with me as they were a joy to be with! Heaven gained a great angel, he will be looking out for Rose and family! He is in a much better place than we are and I'm looking forward to seeing him again!

“ Uncle Bob was the “King “ of Uncles! So much fun... from playing cards to shooting hoops in the backyard. He was also a jokester. I remember when I was a kid he bent my arm and started rubbing it super fast just to find out, once he straightened my arm out, the hairs were all in knots. Uncle Bob, you will be greatly missed. But this is not the end; this is just the beginning of a beautiful eternal life. This is not goodbye, but see you later. One day we will see you and our loved ones again. I, for one, look forward to it. May God keep you in His Tender Loving Care. Rest In Peace. 🙏

“ *What an amazing and loving legacy Bob has left behind in Rose and the entire Pugh family. While I only saw him and Rose on very rare occasions over the years, when they visited mom in Ohio - the first thought of him is of his warm smile and his kind and fun loving way.*

*What a wonderful, full life he led!*

*He is no doubt, looking down from heaven - smiling and sending strength and love to Rose and all of his family and friends.*

*Heaven has gained a very special Angel.*

*Sending hugs and love to his whole family - and prayers for strength over the coming weeks...as your moments of sadness are replaced with only wonderful memories of him.*

*Love, Cousin Theresa (Ward) Sauner*

“ *I want to echo what Chris said. Words can't begin to tell everyone how grateful we are for the outpouring of love and support. I am still coming to terms that our amazing father is no longer with us. He had an amazing life but will be missed by everyone who knew him.*

*A quote that I like to share:*

*You never stop grieving, because you never stop loving!!*

*We miss you so much Dad and will see you again.*

“ Thank you, each and everyone of you that shared a message, a story, a memory, lit a candle, called or sent a text to the family, lived streamed the funeral service or attended in person. Your kind words and prayers are greatly appreciated and very touching. Thank you for keeping dad's memory alive.

*Dad was the greatest father a kid (or grown adult), could ever hope for and his love for mom was undeniable. Mom and Dad were together for 68 years, married 63.*

*Dad was truly a remarkable man. His warmth, kindness and love toward and for others was unmistakable and others responded in kind, he was loved by everyone.*

*I thank God, for being able to call him Dad and for being raised in a loving Christian home, because I know I will see him again, and be reunited with other family members, brothers and sisters that have gone before us.*

*Thank you and God bless.*

*Chris*

“*Bob and Rose (my mom’s cousin), godparents to me and my sister, have always felt like an uncle and aunt to us, with the warmth and cheer they exude.*

*Growing up in Ohio, I rarely visited them, or Gina, Chris, Debbie, Bobbi Ann, Susie, and Robby. God’s plan changed that, when I got my first “real” job with Virginia Power in the mid 80’s, and moved from Akron, Ohio to Woodbridge, VA.*

*We rekindled our relationships.*

*Bob and Rose created a wonderful, exemplary family. The powerfully positive personal attributes of Bob and Rose are manifested in their children.*

*We enjoyed occasional hoops sessions on the court behind the house, meals, and just shooting the breeze. Bob and I would discuss technical topics now and then, and I distinctly recall thermal safety switches as one of the subjects. It was an interesting topic, at least for the two of us.*

*I was at nearby Beacon Mall, doing a little shopping, then having problems starting the car. Using a pay phone, I called Bob, not AAA for help. Bob made himself available, arrived in a few minutes, and got the car up and running.*

*In many more ways, Bob, Rose, and the Pugh family made my transition to life near the Beltway, and away from Ohio friends and family, much easier.*

*The eulogy by Chris was outstanding, and borrowing from it, again thanks to Chris, this stands out as an accurate takeaway.*

*Every person that knew Bob, is a better person for having known him.*

*God has taken one of his finest faithful followers in Bob, to his*

*eternal kingdom.*

*Bob is and will be profoundly missed, and forever loved.*

*“ I cannot remember a time the Pughs were not a part of our family. Mr Pugh always had a gentle smile and a booming laugh. He and my Dad were two peas in a pod. I was lucky enough to run into Gina, and her folks at Costco a few months ago, it was so very good to chat and see that beautiful smile one last time. Give Mom a hug for me please Mr Pugh. Rest well dear sir, the Farmers and the Pughs will meet again one day.*

“ You will be greatly missed, Mr. George. We all loved you so very much. You made us smile just by walking into the Union Hall and saying hello. Your kindness, knowledge, and teachings will live on forever with all of those you have touched. Local #10 has many well educated and smart elevator men/women because you took the time to teach them what they needed to know. I loved calling you the God Father of Local #10. Everyone knew who you were and always knew if they needed someone to talk to, you would take the time to do so. Rest in Peace, Mr. George, until we meet again in the Kingdom of God.  
My thoughts and prayers are with you Ms. Rose and the entire family in this time of sorrow. All my love.
