“ Dearest Amber and George (G.T.),
Always know that I am here for you both. My heart and prayers are with you during this difficult time. My thoughts and prayers also go out to Lil Georgie's extended family; being his Great Grandparents, Grandparents, Aunts, Uncle, Cousins, and his Doggy and Kitty, Lelo and Keke. I have many fond memories and laughs with Lil Georgie.

I am so happy that I got to be with Lil Georgie and enjoy his 1st Birthday with him. He really enjoyed all of us being there for "his big day". I just couldn't believe what a people person he was for only being 1 year old!. He was so observant and just mingled in with all us adults! That made me laugh. I also was impressed watching him talking, listening and learning his French. How cute and sweet.

I was amazed how when I looked at You and G.T. how much love, smiles, laughs, and patience that you both gave Lil Georgie - no matter how busy you were, or how late it was. You both are wonderful parents, and you both gave and have much love. With all that - it really showed with Lil Georgie. He really felt all that you gave him. He was a loving and warm hearted little boy. He was always happy, he loved to smile, (and boy! did he have the sweetest smile, with those 2 new 2 toofers !) You just couldn't help but smile back, and give him a big hug!

I was so blessed to have shared with Lil George 1 more beautiful memory on his 1st Birthday. I just loved when he put his little hand on my cheek and my hand on his lil cheek. That was "our" thing. I will have that sweet memory of his hand on my cheek to hold on too. That's my wonderful memory of "us".

God Bless You Lil Georgie my sweet lil great nephew. You will always be in our hearts and prayers everyday.

We Love, Love, Love You
