“ *Gerald Petitt was a very special person. He was a special grandfather - "Pop" to Jonathan, Nina and Cody. They loved him very much and talked about Pop often. We will always have fond memories of Pop and he will hold a special place in our hearts. Lucy, Artie, Jan, Cindy, Fran, Jonathan, Nina and Cody, my prayers are with you and may your fond memories give you strength during this difficult time. Love, Bev Cromer*

“ *We are very sad to hear of your passing, you and yours are in our hearts and prayers. I am only sorry that the children and I won't be there in person to honor you. Even though it has been years since we attended a reunion at your house my children still remember those times as well as I do. May your body finally rest in peace and your soul live on forever in our hearts and minds. Love to you and your family. Sheila, Chelsea, Tiffany & Sean Sutton*

“ *Uncle Gerald: We will miss you. You are forever in our hearts, prayers and thoughts. We rejoice that you are in a better place now, that you are at peace and that your suffering has ended. We are, however, deeply saddened by the loss of you. You have left a void in our lives that can never be filled. We will forever remember your laughter and the good times we had with you. With our love, Martha & Richard*
