“ To Geri's family I want to send my deepest regrets. Geri was one of my best friends in high school and sadly we lost touch. I just found out today that she has passed away. She was such a kind and generous person even as a teenager! I remember she tried to teach me to drive a stick shift car one spring break when our Mothers were brave enough to let us drive by ourselves from Gainesville to her Grandmothers house in Birmingham. Her family were inclusive and kind! Much love to you all. Gail Chisholm Johnson

“ I miss you so much, my friend. I will always cherish our many years of friendship and especially your last three months on earth-we had so many heartfelt conversations; ones that I will never forget. You loved John and Joanna and all of your grandkids so very much, you always talked about them. And then, there was your soulmate, Glenn. He was tireless in all his care for you. He was a prime example of "in sickness and in health, till death do us part". Do me a favor and have a shot of Jager with my Mom. I know God has his hands full with the both of you. :-) Till we all meet again....we love you...

“ *Walter, Shannon and Jordan Glenn want to pass along our heartfelt condolences to the Trowbridge, Pike and Sell families. Though it's been many years since we last spoke, I will always have many fond memories of my cousin Geri and the wonderful times we shared during the Glenn family reunions on Pensacola beach. “ Our condolences to John, JoAnna, Glenn, Helen, Linda and Katie. and the rest of the family. Geri was our first niece. She had to share a bedroom with me in 1956 when John Glenn got me a summer job at Midwestern University. We have known her for longer than any of the family, except Helen of course. Sue helped Mother to care for Janet and Geri for a short time in 1958. Geri was always special to us and we will miss her.

“ Mom, we will love you forever and thank God everyday that he allowed us to have 58 wonderful years with you. You will always be remembered and never forgotten. None of us would be the great people that we are today without you in our lives. We will love you always and forever.
