“ Mrs. Rebentisch was my fourth grade teacher in the epic class of 1984. She was a kind, sweet woman who always pretended to like my writing assignments (mostly short stories about Godzilla) and encouraged me to keep writing. I remember everyone in the class loved her and the entire class bought her Christmas presents for Christmas '83. I've never forgotten her and the fun we had in that class. RIP to a sweet woman who made a difference in more lives than she could have ever known.

I live in Texas and will be unable to pay my respects at her funeral, so I'll be making a donation to DAR in her name. God bless you Mrs. Rebentisch!

“ She was my fourth grade teacher and I still remember her bringing her record player into the hallway and teaching us the Virginia Reel! She is one of the educators that inspired me to become a teacher. Thank you for being such an inspiration to us all!!!

“ Mrs.Rebintisch was my fourth grade teacher 1983-84 she talked to me and made me feel special, she was so special and I'm sure she touched hundreds of students lives but I know for myself, she is one of those teachers who you never forget. She was an amazing lady. I'm so sorry I can't pay my respects in person.

“ *My sincere condolences to the family. Please know that Mrs. Rebentisch touched so many and left lasting memories. I was a student of hers in the late 60's and still have and treasure the DAR medal I was awarded in her class. She'll shine on in the heavens for us all.*

“ *My love and condolences to the family. Ginny was a great teacher, we worked together at Belle View until her retirement. She taught my son, who admired her greatly. She would always ask about him when I would run into her and Joe at the grocery store many years ago. Fond memories.*

“ *Sending heartfelt sympathy to the family of a lady I admired and enjoyed working with. We were colleagues at Belle View Elementary. She expressed her genuine love for children with candor and humor always pushing them to reach for more. What a difference she made!*

“ *Mrs. Rebintisch was my 4th Grade teacher many moons ago (I believe 1983) and was loved by all of us. She was tough, but loving and I've never forgotten her. Rest in peace, sweet lady.*
