“ *We always think, if we could only go back be young again...but why? Each day was special, and knowing the Walter's family was a blessing! I still see each of you in my mind if I close my eyes! So sorry to take so long to find you. Grandma Price followed Glenn home in Jan 2014. Take care and you are special.*

“ I don't know where to start. Thank you for never tiring of me at your house constantly, the many laughs while you would heckle Dawnie Lee about her boy choices, the numerous times you swore we had bumped our heads, the knocks on the door asking us if we were supposed to be asleep when we had a giggle attack and driving us to school in the big brown truck making us listen to DC 101 because you would have no part of the yeehaw stuff we listened to. I'm so happy that you and Michelle were present for my special day. It meant so much to me. Loved seeing you and you're boys together it was heart warming. I'm glad your days of suffering are over. Until we all meet again.

“ Sincere condolences go out to the family. My dad always told me great things about you. Now you're in heaven with him. I remember coming over to your place visiting you with my parents. Happy memories such a genuine nice person!

“ Glenn was our friendly neighbor, friend and a master mechanic. Glenn was always willing to help us when we had questions on how to repair our landscaping equipment that we used on our farm. When it came to assembling a machine part in a tight spot Glenn's hands could work magic. We will miss a good friend, his smile and friendly help.
