“ *My sincere sympathy to the Bolton family at this difficult time. Gloriela was a very special person and friend. I have fond memories of many good times spent together when we were neighbors in Virginia and enjoyed her friendship over the many years.*

“ *Aunt Gloriela was the most kind and loving woman I have ever encountered. She never said a harsh word about anyone. She was loved by all. She always greeted me with a warm smile and hug. She was with me, my Mom and sister when my Grandma passed and I will never forget how comforting it was to have Aunt Gloriela there with us. My thoughts and prayers are with her loved ones. I will miss my phone conversations with her about her Yorkie, Isabel. I will miss her.*

“ I am so saddened to hear of Gloriela's passing. Gloriela was such a warm and loving woman who, no matter what the circumstances were, always welcomed you with open arms and an open heart. I know that her warmth, her kindness and her wonderful sense of humor will be greatly missed by all who were priveleged to have spent time with her, but most of all by those who were blessed to have her as their mother and their grandmother. My most heartfelt condolences to all of you.

“ Please accept my deepest sympathies at Gloriela's passing. She was a wonderful lady, and my parents and I enjoyed the privilege of being her next-door neighbor for so many years. I also enjoyed catching up with her on my return trips home from work in California, and also after my reassignment to the area. She always had a wonderful smile, a warm heart, and a quick hug for me. Such a sweet lady. My prayers are directed to her and your family during this sad time.

“ I will truly miss Aunt Gloriela. Although I didn't get to see her very often, she always made it seem like we just saw each other a week ago. She was the kindest person I have ever had the pleasure of being around. She never had a harsh word to say about anyone. She only had Love and kind words for everyone. I enjoyed listening to her stories of growing up in Panama and when they moved to the States. She could always make me laugh. My prayers for strength and comfort go out to the entire family. She will be truly missed.

“ Linda, George, Joe, Andrew and Family... Very saddened to hear about Gloriela. Love is when the other person's happiness is more important than your own. Believe that was one of Gloriela's true feelings in respect to family and friends that crossed her path in life as I experienced over the years.

“ Have lived within 50 ft. of each other over the past 60 years. First on Manor/Osman Dr. (when it was a dirt road) and then Leaf Rd. She was the youngest of the Housewives of Manor Drive and loved by all. There was never a dull moment when you were around Gloriela or her mother Isabel. I remember Gloriela walking George down the road and caring for him as he went downhill. Then being a caregiver to her Mom as well. She had a good life on Leaf Rd, driving herself and enjoying her friends and her puppy dogs. Richard and I will miss talking to her at the mail box.
