“ *I just want to say how heavy my heart is at the passing of Mr. G. I never had the pleasure of meeting him but I did have the privilege of praying for him and his beautiful, faithful and loving family. I know the Lord Jesus is comforting you and giving you a peace that goes beyond your understanding. I continue to pray for you all. Hugs

“ *Ava, Justin, Tiffany et al in the family, I appreciate your courage and strength. Gordon will live in my thoughts through I knew and have heard about him. Thanks to all of you for showing the world what family and care is all about. Love is your strength. I am glad there is a strong son to carry on the legacies of two great parents. God be with you all.*
