“ *Hamid Tassah Cheh*

“ *The Cheh Tassah's Family*

Like a distant light you came, rise to the height and filled our hearts and the home.

Then you shine bright and lighting everywhere.

Before we could enjoy your presence at a flash you were gone.

Hamid, you came, you lived, we carried you, we felt you, we loved you

Now you are gone, not our choice but no chance to hold you back

Physically we will miss you, but in our minds, hearts and memories you will live forever.

May God's peace be with you. Be our little angel and send us endless blessings from above.
