There are few people with whom you connect as if they were born to be your friends and you know them for a long time. Such was the feeling when we met. She is such an open hearted, free spirited pure soul. I'm Shanthy.

May the force be with Ravi and kids. 🙏

“ To the family of my dear friend Haritha I offer my sincerest and deepest condolences. She was a sweet soul, awesome team player, and an absolute pleasure to work with. Over the past few years we had grown close and extremely supportive of one another through the many obstacles life threw our way. She always new the right thing to say to put a smile on my face and make me feel that everything would be ok. I will truly miss a spontaneous call to/from her and the uplifting conversations we shared from time to time. Rest in eternal peace.
