“ Daddy, We got through today with the strength you instilled in each of us. I just hope you left this world knowing how loved and admired you were. You have been the best grandfather the boys could have possibly had, even if they hand-picked you themselves. You endured a lot of ups and downs in your life and always came out on top. We love you with all our hearts Daddy and miss you so much. You will be in our hearts and minds every day of our lives. Love always, Peanut
