“ *So saddened to hear of the new about Harry. I met Harry while working for ITG back in 2002. After a few years, I felt so close to Harry, that I started calling him "Uncle Harry"™;. I know he like it, because he called me into his office one time and said; "Rachael, don't let anyone else hear you call me that cause, then they'll think they can do it too...." He was to funny... LOL. I think of him often, he was a good man, and I™ll truly miss him! Rest in peace Uncle Harry.
