“ *Mr Pettit you will never be forgotten. I will also remember coming to your house every xmas and making memories. You always made us feel like family. My greatest memory is when you took me to the hospital when I was six (6) after Harry hit me in the head with the baseball bat and we went in the car you had taken the seats out of so Maggie (the pony) could ride in it. You are a wonderful person and will be truly missed, rest in peace*

“ I really felt a loss when I heard that Harry died. I've known him for about 30 yrs. and he was the kindest, most gentlest man I had ever met. I had a lot of respect for him. God bless him and his family.

“ Harry was the most kind and caring man I have ever met. I will never forget how he and Paula allowed us to leave a car parked in their driveway while we went on a cruise a few times. They would invite us in for food and drinks too. So giving.....he will surely be missed by all!

“ mr. pettit you will always be remembered as the closet uncle without blood ties i have ever had.i have all the memories as a child getting together as families do. you always made us feel like family.we went to hersey car show together,watkins glen races,drag races. i was so happy when you and mrs. pettit came and stayed with me in daytona beach as you sought out your relocation to fl.i will miss the fact that everytime i saw you or spoke to you you would tell me a simpitt about my dad as well as mom it was very clear how much you missed my dad since more than half the time you called me glenn i always took that as a compliment and i am sure my parents were first in line to welcome you home! we will all miss you now go rest in peace. gregory shaw
