“ *We moved to Queens Road in Groveton, and across the street from Lee and Helen Conner, in 1974 and had the honor and privilege of knowing both of these wonderful people and neighbors.*

*Helen's love of family and children was apparent in her smile and her generosity. especially at this time of year when she decorated the front of the house and welcomed the trick or treaters every Halloween. A grandchild owns a doll that was bigger than she was when Helen gave it to her from her wonderful doll collection.*

*We have missed Lee's presence for all these many years and we will miss seeing Helen, and her sister, climbing into the car to be off on one of their many adventures, but stopping to give a wave and a smile, or crossing the street for a short chat and update, before leaving the driveway.*

*Our hearts are saddened by her loss, and our prayers and sympathy are with Helen's family for their great loss. Our joy is with them for their good fortune in having her in their lives for such a long and wonderful lifetime. May her life be eternal.*

*Carol and Hank Skinner, and the boys, their wives, and all the grandchildren at 6712.*
