“ *Mrs. Vento was one of the most happy, optimistic, loyal, and sweet people that I have had the privilege to know. She was so kind to me and our group of high school friends. I will always remember her beautiful smile and wonderful way with people of all ages, backgrounds, and circumstances. But, most of all, I will remember her being a loving and devoted parent, grandparent, and friend. From my family to you, Michele ... in this time of grief, know that our hearts are with you, Michael and your families. Your mother is at peace with your Dad and they will always be with you. Take care.*
