“ *I am a colleague of Hank's and worked with him as an instructor at the Fort Belvoir Command and General Staff School. You could not find a better friend or more dedicated teacher than Hank. His influence on me and the students he taught will last for a long time. I miss my friend and pray for his family in their time of bereavement.*

“ *I'm a fellow Master Gardener and am so sorry to hear of Hank's death. Hank was a dedicated MG and such an asset to our organization. I worked with him on training and noticed how he improved every position, every effort that he touched, and that he inspired greatness in others. H2 will be long remembered and greatly missed. I wish you the best during this difficult time.*
