“ *At this time of sorrow, may the promise of the resurrection uplift you. This is a reality for Jesus raised Lazarus to life though he had been dead for 4 days. So Jesus will remove the bars holding those in the grave, just as he commanded that the stone be removed from Lazarus' tomb. Jesus will bring back to life those who sleep in death just as he did for his friend Lazarus (John 11:39-44). Now try to imagine the happy reunion when friends and relatives, once separated by death, embrace Mr. Miller again! Please visit jw.org for the comfort God gives through the online Bible and videos. My give my sincere condolences to your family at this time.*
