“ *To the Family, I was sad to learn of your mother's passing. I reside at Montebello and it's there that I met your mother. Ann was a delightful lady. She was a good neighbor too. I think it's important for you to know that she is missed by people you may not know yourselves -- as is the way these days while families reside in different communities. I hope that each of you have many fond memories to provide you comfort during your future days.*
