“ *Deepest condolences to the Hartley family. Friendship and sisterhood with Jackie is an integral part of my life that I'm so glad I got to experience. I seek comfort in remembering the times we Gypsy Girls spent together. Love & Miss you, Donna*

“ *I can still remember that day in 1984 during the Incoming Freshmen program at Mary Washington College while on one of our "Nature Walks", Jackie uttered the words that I will never forget, "Hey, you want to be my roommate"?! Those words led to a 29 year best friendship that feel truly blessed to have had with Jackie. She taught me so much about life and how to enjoy and embrace every moment. Although I had always thought that we "Gypsy Girls" would grow older together, I am thankful for the time that God gave me with her. My heart and prayers go out to Jackie's family. God bless you all, Kimberly Grooms*
