“ *Carol and I send our thoughts and prayers to everyone in Jim's family ... especially Rosalie ... Jim was a special special person ... it seems that at work or in your daily life you just do not take the time to interact ... seems like you are always busy ... but Jim and I had good times at our lunches after his retirement ... Jim in his own quiet way set an example for us all to lives by ... I often drift but I do try to live my life the way Jim would ... treat everyone with respect regardless ... he was a master at his work and I owe him for a lot of what I know today in construction ... this is a sad time for all of us in this life ... but in time life's mystery will be revealed to all of us ... for Jim I am sure is at peace in Heaven with our Father and Jesus.*

“ *Rosalie, Jim, Bill and family I am sorry to hear that one of the best has passed away. What a lovely picture. Jim was a "giant" in his field of work and I like so many others were blessed to have him as a co-worker, friend and mentor!*
