“ *Jimmy was the 1st person we met in "the hood"...he and Jeff became instant pals! It was a true honor to have known Jimmy for almost 20 years. He had a heart of gold and took care of his family. We already miss his smiling face and his dancin' moves. Rest in peace my dear friend. We love you and will never forget you.*

“ We knew Jim for over 40 years and reconnected during his illness. We had fought cancer also and were so praying and hoping for Jim to win the battle. He truly was a lover of life and will be missed by all who knew him. Our sincere sympathy to Camille and his family.

“ Jim fought one of the most courageous fights I have seen anyone ever fight. His humor and attitude truly kept him with us longer than he was expected to live. The harder he fought, the harder we fought. Jim will be remembered for his hearty laugh, his big heart, his dance moves, his orange cup (when that came out you knew the party was about to get started), his corvette, his love of music and the fact that everyone loved Jim. There will be a huge void in my life and the lives of his children, his sister and with his many, many friends and family. Life will not be the same without him. I would like to thank all of you for the most amazing support over the last 2 and a half years, you most definitely held us up. All our love,  
Camille, Chris, Jodi & Melissa
