“ *We will miss your smiling face and your jokes; well maybe not all your jokes. These past few years golf had been a challenge for you, but you never gave up and you kept on swinging. You are an inspiration to us all. Our condolences to Kitty, Alan, Cathy and their famalies.*

“ *Lawrence was such a kind, patient and loving person and so devoted to my long time friend Kitty. I watched them say "I do." My condolences to Alan and Cathy and their families. He was a role model and will ever be remembered by all his friends.*

“ *My memories of Uncle Lawrence was when I was a little girl at our family reunions at Granny and Pawpaws, when the wild turkey would try to attack me he was one of the first to get him off me. In the later years he always requested me to make my country style steak for the reunion. I will truly miss him. God has picked another beautiful flower for his garden.*

“ *I worked with Larry for many years at CSC. I came aboard in 1978 and one of the first folks I met was Larry - a very hugable "Bear". He always had a smile and a kind word. I hope his family has many fond memories and my prayers go out to them all.*

“ A super guy! Enjoyed working with him and had fun in the few rounds of golf we played. Unflappable in times of stress. Always a part of the solution--not the problem.

“ When I first started with CSC in 1974 I met a wonderful, cheery Larry Pryor and worked with him until our family moved with CSC to Florida in 1984. Larry was so sweet and funny and the best co-worker to have. My condolences to the Pryor family.

“ Some of my best childhood memories are of the Pryor family reunion. I loved playing golf with my dad and all my uncles. Nobody could hit that 1 iron like Uncle Lawrence. I loved coming to DC and hanging out with Alan. Uncle Lawrence and Aunt Kitty would always have fun things for us to do and see. You just don't realize how lucky and blessed you were to have grown up and be a part of such a wonderful family until you get older and reflect on all the wonderful times.
