

James Clifton Shores

July 9, 1962 - July 6, 2023

Jim (James) Clifton Shores of Alexandria Virginia, went to be with the Lord on Thursday, July 06, 2023. Jim was a beloved husband to Vickie Shores for 39 years. He was a cherished husband, father, grandfather, brother, brother-in-law, uncle, son, son-in-law and friend to many.

Jim is preceded in death by his father and mother, Fred & Carol Shores of Christiansburg, VA.

He is survived by his wife and soulmate, Vickie Shores, of Alexandria, VA; cherished son, Daniel Shores, and daughter-in-law, Molly Shores, of Richmond, VA; adored daughter, Laura Libby, and son-in-law, Johnathon Libby, of Triangle, VA; prized grandchildren, Oliver and Clara Shores, and Connor Libby; sister, Vicki Perkins, of Christiansburg, VA; sister, Michele Gerhard, of Huntsville, AL; mother-in-law and numerous brothers-in-law, sisters-in-law, nieces, and nephews.

Jim's faith in Christ's death and resurrection was the foundation of his relationship with God and how he simply lived his life.

Jim will be truly missed by so many members of his family, friends, co-workers, church family, and clients. He was the owner and President of CTSS Inc for 33 years. Jim's love for the Lord and his unwavering faith is an amazing inspiration and loving memory to his family.

Jim had many hobbies, interests, and talents including computers, audio, electronics, woodworking, hunting, grilling, and vintage cars. He was a jack of all trades and in all he had, it had to be Heavy Duty, otherwise he made it Heavy Duty. When Jim fixed it or built it, it was rock-solid and dependable. Jim loved being on beach trips, camping excursions, and other vacations with family, friends, and co-workers. He had countless garage hours and road trips to the Carlisle Fairgrounds with his son, family, and friends (most often with fellow project car enthusiast and buddy, Steve Lloyd). His annual trips with Vickie on each wedding anniversary were especially loved by Jim. Jim loved his family deeply.

To all who knew Jim it was his signature laugh and expressions of his wonderful dry wit that will be remembered. May you continue to hold tightly to the special memories, laughter, and experiences you shared with Jim.

Devi and I want to share our deepest sympathies. It was our sincerest pleasure to take care of Mr. Shore in our clinic. He was a kind man who was always fun during our interactions. We know he had a loving family and many friends. May all he touched be comforted that he is in the hands of the Lord but we will see him again. We are deeply saddened by his loss. With love and sympathy

“*I was fortunate enough to come to work for CTSS about two months ago, and in that time, got to know Jim as an expert in IT, a strong mentor, a great leader, and perhaps most importantly...A family man. I wish I had gotten to spend more time with Jim, as we share a great many interests, from technology to cars, and I will sorely miss out on getting to know Jim better. We will continue to foster the same environment of teamwork and family here at CTSS, that Jim created, and will continue trying to make him proud.*”

“ With heavy hearts we honor the memory of a truly beautiful soul, a mentor, a leader, a guru, a friend. Jim was more than just a boss to the CTSS staff, he was an inspiration, a guiding light, and a pillar of strength for us all. His impact extended far beyond professional achievements. He had an incredible ability to connect with people on a personal level. His genuine care for our well-being and personal development created a sense of family within our workplace. This sense of family provided the glue for us to work together, learn together, and grow together as a team. He was always there with an open door, ready to listen and provide guidance. As we bid farewell to an extended family member, we shall not dwell on the pain of loss, but celebrate the incredible human being Jim was to us all.

“ Jim has the highest-level integrity of any company owner I've ever worked for. At first, I was a teeny bit scared of Jim's booming voice then realized he was in fact, a teddy bear at heart! Kind, loyal and honest. It is a blessing to work for a man who has and practices Biblical virtues. We will all pull together and endeavor to make you proud Jim. You will be missed daily.
