“ *Out of all the Fathers I have known in my life Mr. Smith is one of the finest. Mr. Smith and his family were there when for me when I lost my Father at age 12. Not only did he have his own family to raise, in so many ways, he took on the responsibility to watch over me, like he did for his own son. As long as I live, I will never forget how great and understanding and firm when I needed it, the man that he always was to me. Sincerely from the deepest part of my heart. Love, Kevin W. Shelton*
