“ So sorry to hear of your loss. I imagine he has already found his old friends, Raymond and Betty Collins, to welcome him home with God. May you find peace and comfort knowing he is with family and old friends again and one day you will be reunited with him. The loss of a of a loved one is never easy so take everything good you remember about David and continue that with your own life and he will live on through you. Remembering old times in Franconia as a child, I have fond memories of the Turners and Collins. Love you all and thinking about you as you suffer this loss.

“ Karen and Family,
We just now heard about Daves passing from another neighbor. We are shocked and so saddened to hear of your loss, and a great loss it is. He was such a wonderful man, quick with a smile or joke. I loved watching him laugh... how his shoulders would go up and down :-) You couldn't help smiling right along with him! He was such a wonderful gift to all who knew him.
Please know our thoughts and prayers are with each of you.
