“ So many cherished memories of your time here on earth, sweet brother, hard to pick one. So I'll share about how my nickname you had for me came about. You were 18 months old when I was born and couldn't say "Louise" and instead, called me "Shoesheez". Throughout our life, from time to time you would affectionately still call me Shoesheez. I always felt it was special and it touched my heart when you did.

I love you always and forever and will miss your sweetness and smile. Rest in peace, dear brother, until we meet again at Heaven's gate. ❤️🕊️❤️ Louise

“ As we bid farewell to my amazing brother Danny, we remember a gentle soul, sweet and caring person and a man of great character. Throughout your life, you loved everyone unconditionally and now it's our turn to carry this love forward.

Danny and I shared our love of family, the beach, travel and nature. From childhood memories to our adult adventures, I am sincerely grateful for every moment with you.

Although a cliché ' Your life was a blessing; your memory a treasure and you will be missed beyond measure.

Rest in peace my sweet brother and you will forever be in my heart.

“ My Uncle Danny loved his family big. He was always happy to see you, hear how you're doing, and would never part ways without telling you he loved you and giving you a hug. He was a caring uncle and extended that care to his great nieces and nephew. Uncle Danny, I pray you're at peace, watching us and continuing to shield us with your umbrella of love. You were loved and will surely be missed.

“ My brother-in-law was a sweet and kindhearted soul who never had an unkind word to say. He loved his sister, his niece, and our grandchildren, and was always thrilled to be around them. Like me, he proudly served his country, and we enjoyed swapping "war stories" back and forth. He will be missed, but his memory will live on in the minds of all of us who knew him. Slow hand salute brother!

“ Hey Dan, You will always be the oldest and I will always be 2nd ...you reminded me of that daily when we were kids. Funny how fast the time goes, I still remember playing in the creek at Nanny's and you would always secretly shave with some rock or something but I wasn't allowed to tell anyone that you shaved. You and Ronnie and I were always going to build a log cabin in the woods and live forever! I'm thinking that you and Ronnie are at that beautiful cabin now, one day I will join you I know it's so beautiful!! I remember one time when we were teens I was at your house and I put on lots of makeup to go to the store, you made me walk 10 paces behind you!!! I'll never forget your laugh it was contagious and there are so many things I will never forget about you. I love you Dan! Older cousin than me!!Joy

“ *My Brother was a Special man and human being! He had nothing but Love to give to ALL his family members and anyone else he came into contact with! How much he'll be missed- words can't begin to describe! My only salvation with him passing is knowing that he's embraced in Jesus's loving arms. But how much I miss him, I can't BEGIN to express! Rest in peace my Dear Brother, I Love you with all my heart!* ”
