“ I love Jane and will miss her dearly. Jane was the ultimate receptionist, co-worker, and friend. She always found a way to lift us up on rough days and lighten our mood. Jane was especially dear to me as a surrogate mother when I was busy at the shop. When my boys would call she talked them through their problems, and she did so with true motherly tough love, sometimes letting them know they needed to shape up before I came home that night. She is a beautiful soul.

“ *This is Virginia Picardo. I work at St. Lawrence Rectory evenings of Mon & Wed. When my youngest son, Rudy, was diagnosed with a rare form of cancer during his early days at the Navy (many years ago), I have asked Jane and the group to pray for him. Jane specifically mentions Rudy's name everyday until Jane saw him once attending mass with me. I introduce Rudy to Jane and told him that Jane prays for him when he was sick. Jane said he continuously prays for him everyday. Since Pandemic, I was not able to go to church daily and I saw her only once several weeks ago. My condolences to your family. I will truly miss her. I will pray for the repose of her soul. thank you for sharing.*

“ Dear Lisa, Frankie, and David and their Families,
I have many wonderful memories from my 32 years living next door to Jane and Frank before he passed. We shared our faith, meals, some travel and nights walking around the neighborhood with rosary in hand. She enjoyed sharing her faith and was truly an inspiration to me. After our conversations on the phone Jane would say "God Bless You" and I would say "God Bless You Jane".
