“ Dear Price Family: I just have very fond memories of your mom even from the first time I met her all those years ago during the wedding events. Hopefully, I will see you all tonight. If the weather interferes, please know that I will be thinking of you all. I know that your moms memory will keep you strong.

“ My precious friend, what a wonderful person you are. Your heart was as big as Texas and no one could love a family like you did. I am so glad you are in a better place...no more suffering, no more worry. We'll miss your outrageous sense of humor and your sharp wit. We'll miss the great food that flowed from your kitchen. We'll miss the welcoming visits and the open ear. Rest now, and know that I loved you dearly. I'll never forget you, my sweet friend.
