“ Tony and Kim - I learned of the passing of your mom from Jean. I'm very sorry to hear about your loss. I remember her so well from drives with Tony to and from HS basketball practice and games. Getting to know her as a team mom rather than simply as my middle school PE teacher was something I will always remember (and how funny she was - not something always apparent in PE!). I was going through the divorce of my parents during that time and she had a big influence on me. And I still hear some of her advice to us/me in my talks with my children. My thoughts are with you both -

“ *Kim and Tony,
So sorry to hear of your Mom's passing. When I was planning The Class of 1981 25th Reunion and looking for classmates, I had sent a note to your Mom, for her to pass along for me. I received a note back from your Mom, with the contact information, along with a nice note. I was so touched that your mom (my former Mark Twain PE teacher) had taken the time to contact me, in return.
Thoughts are with you both at this time, along with fond memories of those Mark Twain days.
Sincerely,
Jean Watts Mallory*

My prayers and thoughts are with all of Mrs. Albany's loved ones.*
