“ Dear Liming & Price Families, Jason's smiling face will surely be missed by everyone in our family. Every time he got a new "toy", he would stop by our house to show it to us. If he didn't stop, he made it a point to wave (real big) as he drove by. Our son, Aaron, thought the world of Jason. It meant so much to him that whenever Jason saw him, he would always stop and talk to him. Our twins, Alison and Kailyn, also talked about how nice Jason was to them when they came down to hang out with Emily. Our hearts go out to all of you at this most difficult time. We hope it gives you some comfort to know that Jason touched so many people and was deeply loved by everyone.
