“ I had the pleasure of working with Jerry sense 1973, I started in Potomac Yards. He had to be on of the hardest working guys I have ever met, I cant remember even one time that we didn't get along.The local 138 signalmen will miss him greatly. I wish I had tried to look him up after he retired. Good By Jerry. My Prayers to all of jerry's Family and friends

“ I'm deeply saddened for you During this time of great sorrow Your heart aches for them And you're not sure about tomorrow Please know God is with you Through your pain and sadness He will carry you through And in time, show your heart gladness It's hard to see right now With the pain your body is feeling And the thoughts of despair That keeps your mind reeling But know that God is there with you Even though you may not see His arms are wrapped around you So that you may be comforted as can be. Aunt Shirley please know that I love you and I am praying for you. Love Kina, Chris, Meghan and Hannah
