“ Jerry was an avid and knowledgeable camera collector, and I always stopped by his table at the shows. -for 40+ years. Jerry invited me to his house years ago to show and trade equipment. We enjoyed showing and talking about rare and unusual cameras and lenses. Sometimes he'd ask me to do some work on lenses- a chance to work on something rare and unusual. He will be missed. Thoughts and prayers for the family, from a fellow camera collector.

“ I might have been the only one present today to raise my hand that I did not consider Jerry a “curmudgeon “. As his physical trainer, I felt he always gave his best, even when I know he wasn't feeling up to it. Only knowing Jerry his last few years, after hearing those amazing tributes today I wish I had the pleasure of knowing him sooner. What a rich life he led! I will never forget his enthusiastic clap when we finished our sessions!! Not sure if it was because he was proud of his accomplishment or because we were done!
I would like to believe the former.

RIP Jerry

“ To Mrs. Laderberg and family. My deepest sympathies. Jerry and I were both from Norfolk, Va and moved to the DC area in the '60s. We briefly worked together at one of the consultant firms in DC and later both of us had careers in the federal government. Jerry and I were both real camera nuts and would often meet at the various camera shows held in the DC/VA area. Jerry was what I would call a real 'Mench.' I couldn't have asked for a better buddy. He was my 'guy to go to.' Ron Batleman, Leland, NC

“ My deepest condolences to Jerry's family. I worked with Jerry during my time at Customs in the mid-80s and we remained in contact for many years after. He was a cherished friend and mentor. I have great memories of lunchtime picnics under the cherry blossoms and our Tuesday walks to China Town with our regular lunch group. Jerry made a huge impact on my life --he introduced me to the firm that I would work with off and on for 25 years and put in a good word to help me get that first job in the private sector. I will always remember him as a kind and generous man. May Jerry's memory be a blessing to all who knew and loved him.

“ I remember Jerry well as a Senior Softball teammate. He was the consummate team player, a devoted AF veteran, and a collector of cars, including an old(er) Porsche. RIP Jerry!

*“ I am so very sorry to hear about Jerry's passing. We were colleagues at Customs back in the 70's and shared many good times during my five years there. Jerry was always a source of positive energy, always ready to share stories of his time overseas and would happily provide advice and counsel when needed.

“ *My deepest sympathies to the Laderberg family. Jerry was a great lawyer, mentor and boss. The depth and breadth of his knowledge and his eagerness to share it with others made him an incredible asset to those of us who worked for him at the USCS.
