“ *I knew Joan 10 years ago when she lived in Jakarta, Indonesia. We're gym' buddies with the same interest in RPM. She invited me to her apartment for dinner and our friendship continued. She attended our wedding and she gave good quotes about married life.... And yes Joan indeed you're right; married life is not as scary as I imagine, as long as I keep being me!! Joan, you've good souls and you'll be missed. I just wish we can see each other like our plan so you can see the love of our lives, our son, Matthew. Yes, children are bringing so much happiness and love into the family.*
